

Binding Your Thesis or Dissertation (Optional)

If you wish to make bound copies for yourself or others, ISU Printing and Copy Services (<http://www.print.iastate.edu/about.shtml>) on campus has reasonably priced, library-quality (hardbound or softbound) binding services. Their phone number is: (515) 294-3601. We recommend that you consider printing on both sides of the paper (except for the preliminary pages). Local copy service should be able to show you their samples and prices for binding, also. Other binderies include the Houchen Bindery in Utica, NE; Campbell-Logan Bindery in Minneapolis, MN; and Heckman Bindery in No. Manchester, Indiana. These binderies all have websites with binding information.
